

Keyrahaircare

Bi-phase Conditioner

THE PRODUCT

Two-phase leave-in conditioner that makes combing easier, repairing the hair fibre and preventing frizz. Your hair will be healthier and shinier from the first application. Immediately visible results.

PRODUCT BENEFITS

Conditions, moisturises and restructures hair. Formulated with a silicon mix that forms a strong protective film and helps safeguard hair from external aggression. Contains anti-static properties that improve combability while also helping make hair shiny and soft. More shine and flexibility with no greasy effect.

APPLICATION

Shake before use so the two layers blend into an emulsion. Spray onto hair for an immediate conditioning effect. No need to rinse.

AVAILABLE FORMATS
