

Keyra 12 in 1

THE PRODUCT

The **Keyra 12 in 1** is a fusion of ingredients formulated using **camellia oil**, **manuka milk** and **keratin**, which provides your hair with 12 incredible fast acting benefits.

PRODUCT BENEFITS

This treatment provides your hair with:

- Nutrition
- Hydration
- Conditioner
- Repairs split ends
- Anti-frizz effect
- Heat protection
- Colour protection against UVA / UVB rays
- Easy to comb
- Shine
- Volume and body
- Softness
- Silkiness

These effects on your hair and scalp are provided thanks to a combination of all these ingredients as well as active ingredients such as:

- **Camelia vegetable oil:** Provides your hair with shine and conditioner.
- **Keratin:** This component hydrates and repairs your hair, providing anti-frizz and making combing easier.

APPLICATION

After washing hair, dry off excess water with a towel. Apply the 12 in 1 treatment to your hair from half distance to the tips uniformly. Do not rinse.

Apply dose depending on the length of hair.
