Repairing Hair Mask

THE PRODUCT

Immediate-action treatment mask that nourishes and repairs dry and very dry hair. Restores the cuticle damaged by chemical treatments and blow drying. Makes hair easier to comb.

PRODUCT BENEFITS

Formulated with hydrolysed keratin which helps replace the natural loss of this compound in the hair. Restructures from within for healthy, shiny hair. Prevents dehydration, protects and adds shine. Immediate nourishment and long-lasting effect. Repairs hair and makes it soft.

APPLICATION

After washing hair, apply the dose required depending on how long the hair is. Leave in for a few minutes and rinse out with plenty of water. Leave in for longer in the case of very damaged hair.
