

Silver White Shampoo

THE PRODUCT

Silver White Shampoo is especially suitable for grey, white and bleached hair. Neutralises the yellow undercoat of grey hair and the natural undertones of light-coloured hair, restoring whiteness and natural shine.

PRODUCT BENEFITS

- Formulated with wheat germ and pink pigments that neutralise yellow undertones counteract unwanted hair tones.
- Wheat germ compensates for protein loss, stopping the hair from losing vitality and intensity over time.
- Enhances the original tone of grey hair.
- Makes hair shiny and silky.

APPLICATION

Apply to damp hair and massage in gently. Leave in for 5 minutes. Rinse thoroughly.

Precautions for use: It is recommendable to wear gloves as the shampoo could leave a residual stain on the hands. Always follow the instructions for use and the warnings on the label. Do not mix with other products not advised by the manufacturer. Keep out of reach of children. Exclusively for professional use. In the event of accidental contact with eyes, rinse immediately with plenty of water. Remove contact lenses before rinsing eyes. If irritation persists, see your doctor or ophthalmologist.
